EXPERIENCE

Software Quality Assurance Engineer

Avanza Innovations 📅 01/2024 - 07/2024

Tested a blockchain-based platform for secure and verifiable electronic bank guarantees

- Attended KT sessions to understand the business aspects of blockchain applications.
- Created 400+ test cases using BRDs, FSD, and SOW for thorough validation.
- Tested CRs and changes, performing sanity, regression, and bug-fixing retests.
- Managed bugs with MantisBT, and conducted SIT and UAT.
- Performed API testing using Postman and database testing with DBeaver, Studio3T, and CouchDB.

Senior Executive - Quality Assurance

Meri Sehat 📅 10/2023 - 12/2023

Performed QA activities for testing various modules of Meri Sehat's web and mobile app.

- Conducted 500+ manual tests for Meri Sehat's web and app, covering smoke and regression cycles.
- Managed 200+ bug verifications using Jira, ensuring efficient issue tracking
- Led system and Alpha tests, reducing post-release bugs by 20%.
- Utilized Playwright to automate Meri Sehat's web application.

Junior Software Quality Assurance Engineer

KDys Labs 📅 07/2023 - 09/2023

Responsible for e2e testing e-commerce projects.

- Analyzed test strategy for e-commerce projects and prepared 100+ test cases for comprehensive coverage.
- Performed Software Testing Life Cycle steps, including smoke, sanity, and regression testing for each new build.
- Utilized Postman for REST API testing, validating response codes.
- Used ClickUp for collaboration and managing project related tasks.

SQA Bootcamp Trainee

Contour Software 📅 01/2023 - 04/2023

TechLift SQA Bootcamp, sponsored by P@SHA and PSEB, hosted at Contour Software.

EDUCATION

Bachelor of Engineering in Computer Systems Engineering

Dawood University of Engineering and Technology

CGPA
3.35 / 4.0

📅 2018 - 2022

SKILLS

C# | Manual Testing | SDLC

STLC | Testcases | Test planning

Functional Testing | Smoke Testing

Regression Testing | Defect Life cycle

SQL Queries | Attention to Detail

API Testing | Selenium WebDriver

Playwright | Jira | MantisBT

ClickUp | Agile/Scrum
